Ban Khao Hom

**A place that you can buy
daily products without
causing unnecessary
waste**

WHO ARE WE

- We are the first bulk in Laos
- Daily Eco friendly products
- Plastic free in our shop
- Help with leading a healthier lifestyle.

WHAT WE DO

PLASTIC FREE

We cut out the packaging, the products aren't sold individually wrapped. Which's we have worked on both side customers and supplier.

USE LOCAL SUPPLIER

90% of the products in our shop came from local suppliers that have good quality and organic products. We try to promote and educated the local products to customers as much as possible.

DONATION

We worked with other sectors like NGO and schools to give some donation supply from our customers to reduce the waste of clothes.

OUR FUTURE

- Keep our core value (Reduce, Reuse and recycle)
- Keep working with related party for educated about environment

CUSTOMERS REACTION

- Difficult to understand the concept and process
- After they experienced is well received by the customers.
